

The

Download the journal on an iPad

By following these steps, you can easily download your digital

Importing file into Goodnotes on an iPad

Navigate to the folder containing the unzipped files.

1. Select the Files to Import

Tap and hold on the file you want to import into Goodnotes until a menu appears. You can also tap "Select" in the upper right corner to choose multiple files.

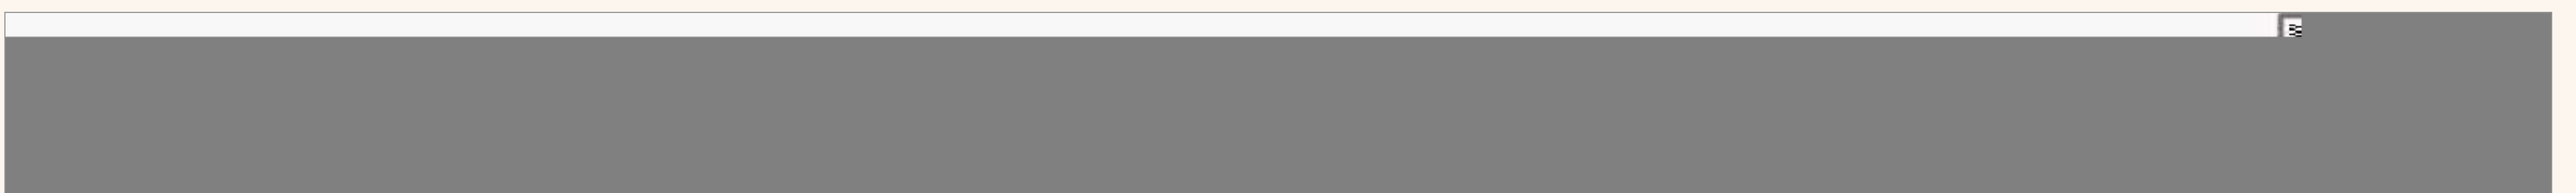

2. Share the File

Tap the "Share" icon (a square with an upward arrow) located at the bottom of the screen.

How to use the Goodnotes App

Click on the tabs

For the tabs to work, you need to be in the Read-Only Mode. The pencil icon should look like this.

This mode lets you navigate through your pages comfortably. All other inputs, like the pen, are blocked when this mode is active.

Write on the journal

To be able to write on your journal, you need to deselect the Read-Only
